Dear Mr. Cline:

On behalf of our five million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is proud to endorse your candidacy the U.S. House of Representatives in the May 19, 2018, Republican Convention for the 6th Congressional District of Virginia.

Thank you for standing strong for freedom and defending NRA members and law-abiding gun owners in Virginia. Based on your leadership on Second Amendment issues in the Virginia Legislature, you have earned the highest attainable rating, an "A+", from NRA-PVF. An "A+" is reserved for a legislator with not only an excellent voting record on all critical NRA issues, but who has also made a vigorous effort to promote and defend the Second Amendment.

As a member of the Virginia House of Delegates, you have been a leader on expanding Second Amendment protections for Virginians. We are grateful that you sponsored and voted for "Constitutional Carry" legislation, which would allow law-abiding citizens to carry a concealed handgun in Virginia without a permit. We also appreciate your support for Right-to-Carry reciprocity legislation, which would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit concealed carry.

In addition, thank you for voting for legislation to allow law-abiding Virginians to carry concealed firearms for self-defense in places of religious worship and restaurants, as well as legislation to protect Virginians' right to self-defense during a declared state of emergency.

Moreover, we applaud your support for Virginia's hunting heritage by voting for a law that ensures private landowners can allow hunting on their property on Sundays in Virginia, as well as a law that allows Sunday waterfowl hunting on public waters.

Finally, thank you for consistently opposing all attempts to ban lawfully-owned firearms, magazines and ammunition, and standing strong against the gun control agenda promoted by Chuck Schumer, Nancy Pelosi and former New York City Mayor Michael Bloomberg.

Congratulations on your "A+" rating and endorsement, and thank you for your steadfast support of the Second Amendment. Good luck with your campaign, and we look forward to our continued relationship.

Sincerely,

Chris W. Cox
